

Cultural Capital at Black Horse Hill Junior School

In order to develop the essential knowledge needed to prepare them for their future success, our children will have the opportunity to:

- Visit the local church
- Go on trips, such as museums, zoos, etc in order to support/ enhance the curriculum
 - Visit the local area to develop an understanding of where we live
 - Attend and play an active part in school fairs and discos
 - Go on a residential visit and take part in adventurous activities
 - Experience an outdoor learning environment
 - Participate in school theme days
 - Visit the local swimming pool
 - Meet historians to develop their knowledge of the past
 - Investigate historical artefacts
 - Meet athletes from various different sports and experiences
 - Meet the local Community Support Officer
 - Work with children from different key stages
 - Experience musical performances from a range of professionals
 - Work with industry experts from within our school community
 - Prepare their own food
 - Use a range of modern technology
 - Learn an additional language
 - Play a musical instrument
 - Perform and/or present to a live audience
 - Be a part of local community projects, such as litter picking
 - Understand, hear and experience different cultures and festivals
 - Be part of a concert or performance
 - Be part of an inclusive school, which promotes British Values
 - Have the opportunity to become a school councillor
 - Have the opportunity to become a house captain
 - Contribute to and support charity work
 - Participate in inter and intra school sport
 - Participate in extra-curricular activities
 - Sing as part of a choir
