

The Pupil Premium is additional funding given to publicly funded schools in England to raise attainment of disadvantaged pupils and close the gap between them and their peers. Pupil Premium funding is available to both mainstream and non-mainstream schools, like special schools and pupil referral units. The Pupil Premium is designed to ensure that funding to tackle disadvantage reaches the pupils who need it the most. The funding is allocated to Local Authorities and schools with pupils from Reception to Y11 who are eligible for free school meals (FSM), are looked after or have parents currently in the Armed Forces. From April 2012, the coverage of the Premium was widened to include those eligible for FSM at any point in the last 6 years.

2019 -2020	
Total number of pupils on roll	208
