September 2023

Welcome Back

I hope that you have all had a lovely summer break and that you are refreshed and ready for a brand new school year. We are very excited to see everyone again and are looking forward to another busy, successful year.

We would like to extend a very warm welcome to all of our families that are new to the school. If you have any questions, then you can find me on the yard most mornings and evenings, or you can contact the school office to arrange an appointment.

Extra Curricular Clubs

This year, we will be continuing to offer a wide range of extra curricular activities. Before the summer, I sent out a letter about drama club, which was well attended last year. Today, I have sent out a Parentmail about science, archery, football and dodgeball clubs and included information about how to join them. Later in the term, we will be starting Judo club and a letter will come out for that soon. Mr Roberts will be restarting athletics club for children in years 5 and 6 initially, and our school will continue to be a hub for gifted and talented athletes from across the borough.

Healthy School

In school, we try to promote healthy lifestyles at every opportunity, be it through PE, science, assemblies or visitors to the school. We would ask for your support in this, by ensuring that your child brings healthy snacks to eat at break time. Thank you

Attendance

Good attendance is vitally important to your child's progress. The pace of the modern curriculum is so fast, that even a single day missed makes it incredibly difficult to catch up. This year, we will continue to monitor pupil's attendance closely and work with the Local Authority when attendance becomes a concern. As always, holidays during term times will not be authorised and may result in penalty notices being issued.

Dates

8th September – School Photographs

18th September – Cross Country at Birkenhead Park
