EurOAKvision

Last month, our school choir took part in the first ever EurOAKvision song competition at Hilbre High School. The children competed with other school choirs from the Oak Trees Academy and performed to a huge audience. Our children sang a beautiful rendition of "We Are One" which received a great reaction from the crowd. The evening ended with all of the children from all of the schools, joining together to sing "Imagine" with Hilbre's school band. It was a great experience that I'm sure the children won't forget for a long time.

Football

Our year 4 school football team had a great experience when they took part in a football competition at Prenton Park last month. They were able to walk down the tunnel, have their photographs taken in the Sky Sports interview zone and play matches on the first team pitch. Against tough opponents, the team performed well, winning their last game to end the day in style. This was a great experience for all of the children, made even more memorable when the sprinkler system started during the presentation ceremony and soaked everyone.

Athletics & Sports Day

Our Year 3/4 athletics team took part in their first athletics competition at Neston High School last month. The children had the opportunity to take part in lots of relay races and had the chance to try out lots of different field events. Everyone had lots of fun and we even had some podium placings.

Sports Day took place in the glorious sunshine at the start of the term. All of the children competed in a wide variety of events to win points for their teams. Congratulations to Jupiter who were this year's winners

Parking

Since returning from half term, we have had a number of complaints from local residents about parking. Please remember to park considerately; not blocking any drives, on double yellow lines or on pavements to restrict access. Thank you.

Attendance

Attendance at school is incredibly important for all children. The whole school attendance for the month of May is 94.9%. Our target is at least 96%

Whole School Attendance for May

94.9%

190 DAYS 100%	183 DAYS 96%	179 DAYS 94%	175 DAYS 92%	More than 18 days absence less than 90%
				
Very best chance of success	Off to a flying start	Less chance of success	Harder to make progress	Persistent Absentee (your child misses a lot)
