Welcome Back

I hope that you have all had a lovely summer break and that you are refreshed and ready for a brand new school year. We are very excited to see everyone again and are looking forward to another busy, successful year.

We would like to extend a very warm welcome to all of our families that are new to the school. If you have any questions, then you can find me on the yard most mornings and evenings, or you can contact the school office to arrange an appointment.

OFSTED inspection

Our OFSTED report has finally been made available and can be found on our school website. We were very pleased with receiving a good judgement. The outcome of the inspection and the targets for improvement were areas that we had already started developing. Our inspector was very positive about all areas of the school. The children that she spoke to showed that they had a very strong understanding of the subjects taught and displayed positive attitudes to learning. Well done to everyone in our school community.

Extra Curricular Clubs

This year, we will be continuing to offer a wide range of extra curricular activities. Last week, I sent out a letter about drama club, which was well attended last year. Later in the term, we will be starting Judo club and a letter will come out for that soon. Mr Roberts will be restarting athletics club for children in years 4, 5 and 6, and our school is also going to become a hub for gifted and talented athletes from across the borough. Hall Star Sports will continue to offer a range of sporting activities and Mrs Bryce will continue to run the school choir.

School Dinners

The price of school dinners this year is £2.41. Your child can choose each day whether they would like a school dinner or their own packed lunch. School dinners should be paid for promptly through the Parent Mail app to avoid large bills building up. The school office will monitor balances and send reminders to pay for any bills unpaid.
